the beauty  
of your  
story.

It's a  
celebration

Your babies first birthday is such an incredible milestone in your families life story. It is a cause for celebration and a time to reflect on just how much your little miracle has grown during their first year. What better way to do this than with a custom Cake Smash!

For your comfort, there is a lounge area within the studio equipped with a private restroom, changing table, bottle warmer, refreshments, Wi-Fi, Netflix, and a play area for siblings.

There is ample metered parking in front of the studio, as well as a free municipal lot one block away.

# The details

All cake smash sessions, whether it is a mini or full, come with a custom designed set complete with decorations and props. I do ask families if they have any visions, ideas, or colors that they would like me to use as inspiration. If they do not, no worries! I can always make suggestions or plan sets all on my own.

To make this experience as seamless as possible, a custom cake is also provided for all sessions. Cakes are made with love by the renowned Thee Lady Ashley Bakery. Cakes will compliment the cake smash set and outfit to complete the vision.

The turnover time for edited images is 2 weeks or less. I always advise families to take this into account when scheduling their session if they have plans to print their images for invites, a party, or thank you cards. Expedited editing is available for an additional cost.

Regular studio hours are Monday through Friday, 11am - 3pm. Weekend sessions are available upon request.

# After your session

After your session, you will be presented with an online gallery, at which time you may select the images you would like to purchase. All images are delivered fully edited. Unedited/RAW images are not available for purchase and are not included.

For all sessions, a \$200 deposit must be submitted to confirm your session date.

For Mini sessions, the balance is due on the day of your session. For full sessions, the balance is due after your selections are submitted.

All sessions are subject to sales tax. The following payment methods are accepted:  
Cash  
Credit Card  
Paypal  
Zelle  
Venmo  
Afterpay  
(please note, all credit card, Paypal, and Afterpay payments are subject to a 3% processing fee)
